Edci 101: Introduction to Teaching in STEM

TEACHER EDUCATION

Students will explore the teaching profession through observations and teaching science or math lessons. Working in a team, students will observe science or math classrooms and be supported in the planning and teaching of three inquiry-based science or math lessons in K-12 classes. As a result of the experiences in the course, students are able to explore teaching as a career.

1 - 3 Credits

Instruction Type(s)

- Lecture: Lecture for Edci 101

Subject Areas

- Curriculum and Instruction

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
