Overview

The School of Business Administration offers a Bachelor of Business Administration (B.B.A.) with majors in banking and finance, economics, general business, management, management information systems, managerial finance, marketing, marketing and corporate relations, real estate, risk management and insurance.

At the graduate level, the school offers both a residential and a professional Master of Business Administration (M.B.A.) and a Doctor of Philosophy (Ph.D.) in the emphasis areas of finance, management, marketing, management information systems, and production-operations management.

Accreditation

The undergraduate and graduate programs in the School of Business Administration are accredited through AACSB International, the Association to Advance Collegiate Schools of Business.

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
