**B.A. in African American Studies**

**Description**

Students who pursue the major in African American studies will gain a broad-based understanding of research in a variety of academic disciplines, with a particular focus on African and African American topics. Students will be provided with historical and contemporary data that will enable them to develop a comprehensive understanding of the life experiences of African Americans.

**Minimum Total Credit Hours: 120**

**Goals/Mission Statement**

The mission of African American studies is to research and teach about the history and culture of African Americans as members of American society. More specifically, the objectives of the program are to encourage students and faculty to examine the black experience, to facilitate a cultural and intellectual atmosphere on campus that will be favorable to such studies, and to undertake a program of research and service.

**General Education Requirements**

Although other general education requirements for the B.A. degree must be met, the African American studies major does not require a minor.

**Course Requirements**

The African American studies interdisciplinary major consists of 42 semester hours, including 6 hours of basic core courses, 33 hours from the areas of specialization listed below, and the 3-hour senior seminar course. At least 12 of the 33 credits of required upper-division work must be in a designated area of specialization. In addition, 12 hours must be chosen from one or both of the other two areas outside of the designated area of specialization.
