The regulations published in the Undergraduate Catalog are a digest of the rules of the institution. Changes may be made in the regulations at any time to promote the best interests of the university and its students. Students are responsible for knowing the published regulations, policies, and standards of the university and of their college or school.

Credit by Examination

A student may be granted college-level credit for the following types of learning, examinations, or experiences:

- Advanced Placement
- Cambridge International
- College Level Examination Program
- International Baccalaureate

The total number of hours one may earn through credit by examination is no more than half of the total hours required for the degree program. The grade of Z is granted for these credits. The credits will be posted to a student’s academic record upon enrollment.

Advanced Placement (AP)

Students who participate in the College Entrance Examination Board Advanced Placement Program offered through their high school, and who earn appropriate scores on the AP examination, will receive the following academic credit:
