NHM 699: Supervised Practice

Rotations in a variety of clinical, community, and food-service settings that provide Coordinated Program in Dietetics students with opportunities to apply principles and knowledge addressed during their undergraduate and graduate curriculum and to participate directly in hands-on application of clinical, food-service, and community nutrition. Students will have opportunities to develop and improve a variety of skills, with emphasis in critical thinking, evaluation, and assessment.

May be repeated for up to 15 hours.
