Students must complete the requirements for either the campus or professional M.B.A. program.

Emphasis - Professional Program Description
The professional M.B.A. program is designed to meet the needs of working adults interested in completing a graduate business degree. As opposed to the campus M.B.A. program, the professional M.B.A. employs alternatively delivered methodologies such as Internet learning systems, telephone conference calls, videoconferencing, interactive CD-ROM/DVD technology, and short in-person gatherings. The program may be completed over a two-year period if a student chooses to take two courses each semester: fall semester, spring semester, and summer session. Alternatively, a student may choose to enroll in courses at a rate of one class a semester and, thereby, complete the program in four years. Students may begin the professional M.B.A. in the spring semester, summer session, or fall semester.
