The School of Education at the University of Mississippi offers a variety of undergraduate and graduate programs. The Bachelor of Arts in Education (B.A.E.) undergraduate degree is offered with emphases in special education, elementary education (special education endorsement), and secondary education. Additionally, there are graduate programs in educational leadership, counselor education, and higher education. The Department of Leadership and Counselor Education offers graduate degrees with emphases in elementary, secondary, literacy education, and special education. The Department of Curriculum and Instruction offers undergraduate degrees with emphases in special education, elementary education, and secondary education. The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master’s, specialist, and doctoral degrees. The university's online catalog provides additional information about these programs.
