Csci 311: Models of Computation
COMPUTER & INFORMATION SCIENCE
Introduction to the theoretical foundations of computer science, including automata and formal languages.
3 Credits
Prerequisites
• Csci 112: Computer Science II (Minimum grade: C-)
One-way corequisites
• Math 301: Discrete Mathematics
Instruction Type(s)
• Lecture: Lecture for Csci 311
• Lecture: Hybrid Lecture for Csci 311
Subject Areas
• Computer Science
