Csci 311: Models of Computation
Computer & Information Science
Introduction to the theoretical foundations of computer science, including automata and formal languages.
3 Credits

Prerequisites
• Csci 112: Computer Science II (Minimum grade: C-)
• Pre-Requisite: 24 Earned Hours

One-way corequisites
• Math 301: Discrete Mathematics

Instruction Type(s)
• Lecture: Lecture for Csci 311
• Lecture: Hybrid Lecture for Csci 311

Subject Areas
• Computer Science
