Csci 405: Computer Simulation

**COMPUTER & INFORMATION SCIENCE**

Introduction to computer-based simulation and its applications to engineering, the sciences, and management.

3 Credits

**Prerequisites**
- [Math 262: Unified Calculus & Analytic Geometry II](http://catalog.olemiss.edu/2018/fall/undergraduate/engineering/computer-science/csci-262)
- [Csci 211: Computer Science III](http://catalog.olemiss.edu/2018/fall/undergraduate/engineering/computer-science/csci-211)

**Instruction Type(s)**
- Lecture: Lecture for Csci 405

**Subject Areas**
- Computer Science
