Geol 203: Earth Dynamics Laboratory Content

This is the laboratory component of Geol 103. This course is designed for students transferring into the program after completing Geol 101 and 102. Students cannot receive credit from both Geology 103 and 203. This course when combined with introductory geology courses can be used by students seeking a waiver of the requirement to complete Geology 103, with permission of the department.

2 Credits

One-way corequisites
- Geol 101: Physical Geology
- Geol 102: Historical Geology

Instruction Type(s)
- Lecture: Lecture for Geol 203

Course Fee(s)
- Geology 2
  - $150.00 when booked for:
    - Spring, Second Spring, May, Full Summer, First Summer, Second Summer, August 2016-17
    - Fall, First Fall, Second Fall, Winter, Spring, First Spring, Second Spring 2017-18

Subject Areas
- Geology/Earth Science, General

Related Areas
- Geochemistry
- Geochemistry and Petrology
- Geological and Earth Sciences/Geosciences, Other
- Hydrology and Water Resources Science
- Paleontology
