**Geol 644: Advanced Paleontology**

**Geology & Geological Engineering**

Consideration of specific problems in invertebrate paleontology (including micropaleontology) and paleoecology.

3 Credits

**Instruction Type(s)**
- Lecture/Lab: Lecture/Lab for Geol 644

**Subject Areas**
- Geology/Earth Science, General
- Paleontology

**Related Areas**
- Geochemistry
- Geochemistry and Petrology
- Geological and Earth Sciences/Geosciences, Other
- Geology/Earth Science, General
- Hydrology and Water Resources Science
- Paleontology
