

Math 625: Modern Algebra I

Advanced group theory.

3 Credits

Prerequisites

<u>Math 525: Introduction to Abstract Algebra I</u>

Instruction Type(s)

• Lecture: Lecture for Math 625

Subject Areas

• Algebra and Number Theory

Related Areas

- Analysis and Functional Analysis
- <u>Geometry/Geometric Analysis</u>
- <u>Mathematics, General</u>
- Topology and Foundations

Mathematics | Fall 2025-26
