Track - Practice

Description
Completion of the B.S.P.S. practice track (P4 year) is prerequisite for admission into the Pharm.D. program.

Goals/Mission Statement
The practice track curriculum is designed to provide sufficient background in the various pharmaceutical science disciplines to prepare the student for entry into advanced professional course work leading to the entry-level practice degree, Pharm.D.

Course Requirements
The practice track curriculum for those wishing to pursue the Doctor of Pharmacy degree must be satisfied by completing two two-week, full-time rotations, Prct 475 and Prct 476, prior to the P4 year. These experiences will normally occur at a traditional community and traditional institutional practice site, although one rotation can occur at a nontraditional site. However, both rotations cannot occur in either traditional community, traditional institutional, or nontraditional sites. Completion of these experiences can occur either during a winter intersession (with official enrollment during the spring semester) or during the summer (with official enrollment in the second summer term). Each of these courses is one credit hour.

The traditional didactic course requirements include Phcl 443 and 444 (Basic and Clinical Pharmacology); Medc 416 and 417 (Introduction to Principles of Medicinal Chemistry); Phcg 421 (Pathogenesis and Etiology of Infectious Diseases); Phcg 422 (Natural Product-derived Pharmaceuticals); Phad 493 (Management); Phad 490 (Professional Communications in Pharmacy); Phad 491 (Pharmacy Law); Phar 434 (Biopharmaceutics/Pharmacokinetics); Prct 450, 451 and 452 (Pharmacy Practice).

Other Academic Requirements
Refer to academic requirements under the B.S.P.S. degree program.

Degree Requirements
The academic regulations for this degree program, as entered in the University of Mississippi Catalog, are in effect for the current or selected academic year and semester. The University of Mississippi reserves the right to 1) change or withdraw courses; 2) change rules for registration, instruction, and graduation; and 3) change other regulations affecting the student body at any time.
