Academic Regulations

Preliminary Requirements

Criteria and procedures for admitting students within the Department of Geology and Geological Engineering follow the general requirements for admission to The University of Mississippi. It is recommended that all prospective students check the current catalog or contact the department with any further questions.

M.S. and Ph.D. entrance requirements are those of the Graduate School. M.S. applicants are expected to possess or be in the process of completing an undergraduate degree in engineering or closely related field from an accredited institution. In general, Ph.D. applicants are expected to possess or be in the process of completing a master's degree. In certain cases, applicants completing an undergraduate degree in engineering or closely related field from an accredited institution may be considered.
