

# Master of Business Administration

## Description

The M.B.A. exposes students to a variety of subjects, including statistics, economics, organizational behavior, business communication, marketing, financial strategy, operations management, and information technology management. The M.B.A. is available as either a residential program or as a professional program. The residential M.B.A. is a compressed one-year program for full-time students. The professional M.B.A. is designed for working business professionals and involves a variety of technological delivery modes.

**Minimum Total Credit Hours: 48**

## Course Requirements

Students must complete the requirements for either the residential or professional M.B.A. program.
