

Phys 224: Laboratory Physics II PHYSICS & ASTRONOMY

Laboratory experiments coordinated with lecture topics in Phys 214. 1 Credit

Prerequisites

Phys 223: Laboratory Physics I

Corequisites

Phys 214: General Physics II

Instruction Type(s)

Lab: Laboratory for Phys 224

Course Fee(s)

Astronomy and Physics • \$25.00

Subject Areas

Physics, General

Related Areas
