

Minor - Aerospace Studies

A minor in aerospace studies offers familiarity with all aspects of U.S. air and space power. The minor comprehensively covers Air Force history, the evolution of air and space power application, national security affairs and the security process, and advanced leadership principles.

Course Requirements

A minor in aerospace studies consists of a minimum of 16 semester hours composed of AS 101, 102, 201, 202, 301, 302, 401, and 402. Leadership Laboratory courses (AS 111, 112, 211, 212, 311, 312, 411, 412) do not count as credit toward a minor in aerospace studies.

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
