

## **Bisc 649: Methods in Molecular Biology**

### **BIOLOGY**

A laboratory course designed to acquaint the student with advanced instrumentation of molecular biology.

3 Credits

### **Instruction Type(s)**

- Lecture/Lab: Lecture/Lab for Bisc 649

### **Subject Areas**

- [Molecular Biology](#)

### **Related Areas**

- [Anatomy](#)
- [Cell/Cellular Biology and Anatomical Sciences, Other](#)
- [Cell/Cellular Biology and Histology](#)
- [Cell/Cellular and Molecular Biology](#)
- [Developmental Biology and Embryology](#)
- [Neuroanatomy](#)
