B.F.A. in Theatre Arts

Description

The B.F.A. major in theatre arts is intended for individuals who seek a professional career in theatre or who wish preparation for graduate work in the discipline. The B.F.A. must be completed with an emphasis in either acting, design/technology, or musical theatre. Students must have a successful audition or portfolio review by theatre arts faculty for admission to the BFA degree program.

Minimum Total Credit Hours: 129

Course Requirements

A major in theatre arts for the B.F.A. degree requires 129 semester hours. Students are required to choose one of three emphases: acting, design/theatre technology, or musical theatre.

Other Academic Requirements

A grade of C or higher is required on all theatre courses applied toward the B.F.A. degree.

Emphasis - Theatre Design and Technology

Description

The emphasis in design/theatre technology is a comprehensive design program that allows students to concentrate in costume design and technology, lighting design, or scenic design. In addition to rigorous classroom work--in their field of study as well as in theory, history, literature, directing, and business and employment practices--students have individualized instruction and multiple opportunities for realized design projects in main-stage and studio productions and are able to compile portfolios that will help them achieve professional employment or enter graduate school.

Course Requirements

The emphasis in design and theatre technology requires 129 total semester hours, including 72 hours of theatre arts courses, comprising the following:
