## Ph.D. in Health & Kinesiology

### Description

The Ph.D. prepares students for university teaching and research positions. Also, the degree prepares students for research careers in industry and medicine that include the study of exercise.

**Minimum Total Credit Hours: 57**

### Course Requirements

The course requirements are listed under each emphasis.

### Other Academic Requirements

The student also must complete written and oral comprehensive exams before undertaking the prospectus and dissertation.

## Emphasis - Health Behavior

### Description

The emphasis in health behavior and promotion prepares students for university teaching and research, and positions in public, private, and international health.

### Course Requirements

The course requirements are 12 hours of major course work, 9 hours of advanced research methods and seminar, 9 hours of statistics and research design, 9 hours of supporting course work, and 18 hours of dissertation.

### Other Academic Requirements

Additional coursework will be required for students who do not enter the program having completed a master's-level degree in health promotion, health education, public health, or closely related discipline.

### Degree Requirements

The academic regulations for this degree program, as entered in the University of Mississippi Catalog, are in effect for the current or selected academic year and semester. The University of Mississippi reserves the right to 1) change or withdraw courses; 2) change rules for registration, instruction, and graduation; and 3) change other regulations affecting the student body at any time.

## Ph.D. in Health & Kinesiology

REQUIREMENT	HOURS	DESCRIPTION
<a href="#">Espr 797</a>	18	Complete at least 18 hours of dissertation ( <a href="#">Espr 797</a> ).
Comprehensive exam		Student must pass a written and oral comprehensive examination.
Oral defense		Every candidate for the Ph.D. degree must successfully pass a final oral examination (defense of dissertation) administered by the student's dissertation committee and scheduled by the Graduate School.
Submit Dissertation		Student must submit a dissertation to his/her GPC/Chair. The dissertation must conform to the regulations governing style set forth in "A Manual of Thesis and Dissertations Preparations", available in the Graduate School Office. Two copies of the dissertation must be presented to the Graduate School after the final examination for the doctorate has been accepted and before the beginning of the regular examination period for the semester in which the candidate plans to graduate.
GPA requirements		A cumulative average of not less than 3.0 (B) must be achieved in all graduate work taken.
Applied Science Dean's approval		This Degree Audit program is an advising tool only. The student must still apply for a degree by returning a completed Degree Application Form to the dean's office before the last day to add classes in the semester preceding the semester in which the student expects to graduate. The dean's office will make the final certification that the courses listed on the application qualify the student for graduation. The dean's office will also determine if other university requirements (GPA, etc.) have been met.

## Emphasis - Health Behavior

REQUIREMENT	HOURS	DESCRIPTION
