

B.S. in Dietetics and Nutrition

[Overview](#)

[Degree Requirements](#)

Description

The program in dietetics and nutrition provides an academic path for students to enter careers or advanced programs in dietetics and nutrition.

Minimum Total Credit Hours: 124

Goals/Mission Statement

The mission of the program in dietetics and nutrition is dedicated to preparing future professionals for dietetic internships, related work experiences, and postbaccalaureate studies. Goal 1. Provide students with a high quality didactic learning environment and experience to ensure they are competent in knowledge, skills, and foundations to be successful in the dietetic profession. Goal 2. Provide opportunities for students to develop and explore their personal and professional interests, and to value lifelong learning. Goal 3. Prepare graduates for professional service in dietetic internships, employment, or to pursue higher education opportunities.
