

Chem 641: Selected Topics in Inorganic Chemistry

CHEMISTRY & BIOCHEMISTRY

May be repeated once for credit if the topics are different.

3 Credits

Prerequisites

- Consent of Department Chairperson Required

Instruction Type(s)

- Lecture: Lecture for Chem 641

Subject Areas

- [Inorganic Chemistry](#)

Related Areas

- [Analytical Chemistry](#)
- [Chemical Physics](#)
- [Chemistry, General](#)
- [Environmental Chemistry](#)
- [Forensic Chemistry](#)
- [Organic Chemistry](#)
- [Physical Chemistry](#)
- [Theoretical Chemistry](#)
