

Phys 626: Solid State Physics II

PHYSICS & ASTRONOMY

Continuation of Solid State Physics I.

3 Credits

Prerequisites

- [Phys 625: Solid State Physics I](#)

Instruction Type(s)

- Lecture: Lecture for Phys 626

Subject Areas

- [Condensed Matter and Materials Physics](#)

Related Areas

- [Acoustics](#)
- [Atomic/Molecular Physics](#)
- [Elementary Particle Physics](#)
- [Nuclear Physics](#)
- [Optics/Optical Sciences](#)
- [Physics, General](#)
- [Physics, Other](#)
- [Theoretical and Mathematical Physics](#)
