Overview

The Department of Chemistry and Biochemistry offers a minor in chemistry, a Bachelor of Arts (B.A.) in biochemistry, B.A. in chemistry, Bachelor of Science (B.S.) in chemistry, and B.S. in forensic chemistry. At the graduate level, the department offers a Master of Science (M.S.) in chemistry, Doctor of Arts (D.A.) in chemistry, and Doctor of Philosophy (Ph.D.) in chemistry.

Accreditation

The B.S. in chemistry program is certified by the American Chemical Society. The B.S. in forensic chemistry is accredited by the American Academy of Forensic Science. The B.A. in biochemistry follows the guidelines of the American Society of Biochemistry and Molecular Biology.
