

Ph.D. in Health & Kinesiology

[Overview](#)

[Degree Requirements](#)

Degree Requirements

The academic regulations for this degree program, as entered in the University of Mississippi Catalog, are in effect for the current or selected academic year and semester. The University of Mississippi reserves the right to 1) change or withdraw courses; 2) change rules for registration, instruction, and graduation; and 3) change other regulations affecting the student body at any time.

Ph.D. in Health & Kinesiology

REQUIREMENT	HOURS	DESCRIPTION
Espr 797	18	Complete at least 18 hours of dissertation (Espr 797).
Comprehensive exam		Student must pass a written and oral comprehensive examination.
Oral defense		Every candidate for the Ph.D. degree must successfully pass a final oral examination (defense of dissertation) administered by the student's dissertation committee and scheduled by the Graduate School.
Submit Dissertation		Student must submit a dissertation to his/her GPC/Chair. The dissertation must conform to the regulations governing style set forth in "A Manual of Thesis and Dissertations Preparations", available in the Graduate School Office. Two copies of the dissertation must be presented to the Graduate School after the final examination for the doctorate has been accepted and before the beginning of the regular examination period for the semester in which the candidate plans to graduate.
GPA requirements		A cumulative average of not less than 3.0 (B) must be achieved in all graduate work taken.
Applied Science Dean's approval		This Degree Audit program is an advising tool only. The student must still apply for a degree by returning a completed Degree Application Form to the dean's office before the last day to add classes in the semester preceding the semester in which the student expects to graduate. The dean's office will make the final certification that the courses listed on the application qualify the student for graduation. The dean's office will also determine if other university requirements (GPA, etc.) have been met.

Emphasis - Health Behavior

REQUIREMENT	HOURS	DESCRIPTION
Major course work	12	Student must complete at least 12 hours of major course work. Each course must be approved by the student's GPC/Chair and completed with a grade of C or better.
Research methods and seminar	9	Student must complete at least 9 hours of advanced research methods and seminar. All courses must be approved by the student's GPC/Chair and completed with a grade of C or better.
Statistics and research design	9	Student must complete at least 9 hours of statistics and research design course work. All courses must be approved by the student's GPC/Chair and completed with a grade of C or better.
Support courses	9	Student must complete at least 9 hours of supporting course work. Each course must be approved by the student's GPC/Chair and completed with a grade of C or better.

Emphasis - Exercise Science

REQUIREMENT	HOURS	DESCRIPTION
Research methods and statistics	9	Student must complete at least 9 hours of research methods and statistics course work. All courses must be approved by the student's GPC/Chair and completed with a grade of C or better.
