

Mus 208: Singers' Diction II

MUSIC

Phonetic sounds of the German and French languages to promote the ability to sing in these languages.

All music performance, except class instruction, shall be taught as one hour of private instruction per week. Students may register for only one performance course in an area per semester, that is, only one piano course, or only one voice course, etc. When necessary, music performance courses may be repeated once for credit. The jury shall serve as the final examination for every music performance course. Advancement to the next performance course requires jury recommendation. When offered in a summer term, credit is reduced by half. Music performance courses numbered 100 (Voic 100, Flt 100, etc.) cannot be used to satisfy music performance requirements for a major or minor in music.
