

Minor - Parks & Recreation Management

• [Minor - Parks & Recreation Management](#)

Minor - Parks & Recreation Management Description

The minor in Park and Recreation Management is ideal for students pursuing professions which require leadership skills working with people during their leisure time and recreation activities. The minor is especially suitable for students majoring in associated degrees that emphasize major components of human service delivery. The nine elective hours allow each student to focus on coursework that has relevance to leisure or recreation in their own lives as well as building their professional competencies.
