

Laboratory experiments coordinated with lecture topics in Phys 214. 1 Credit

Prerequisites

Phys 223: Laboratory Physics I

### Corequisites

Phys 214: General Physics II

#### Instruction Type(s)

Lab: Laboratory for Phys 224

# Course Fee(s)

Astronomy and Physics

• \$150.00

#### **Subject Areas**

Physics, General

# **Related Areas**

- <u>Acoustics</u>
- <u>Atomic/Molecular Physics</u>
- <u>Condensed Matter and Materials Physics</u>
- Elementary Particle Physics
- <u>Nuclear Physics</u>
- Optics/Optical Sciences
- <u>Physics</u>, Other
- <u>Theoretical and Mathematical Physics</u>
