

SW 715: Dissertation Seminar

SOCIAL WORK

The focus of this course is on preparation and planning of research that leads to a dissertation or publishable manuscripts. Emphasis is on developing ideas for a research topic, its formulation, operationalization, and design. Students will learn the components of formulating research question(s), developing a rationale for research, and the elements of a good literature review. Published research will be examined and critiqued. May be repeated for up to 21 hours of credit.
