

B.S. in Medical Technology (3+1) Description

The B.S. in medical technology (a 3 + 1 program) prepares students for a career that plays an important role in the detection, diagnosis, and treatment of disease. Medical technologists examine and analyze body fluids and cells.

Minimum Total Credit Hours: 124

Course Requirements

Students must complete degree requirements for the College of Liberal Arts prior to beginning the professional clinical year. (Presently, only one institution is approved as an affiliate in the 3+1 program: the North Mississippi Medical Center in Tupelo, Mississippi). Students are awarded thirty (30) semester hours for successfully completing their professional year; thus, a minimum of ninety-four (94) semester hours must be earned prior to leaving The University of Mississippi. No tuition is charged by NMMC for clinical year studies. A grade of C or better must be obtained in the courses listed below with a minimum 2.6 GPA. Courses to be completed at the Oxford campus, which are specific for the program at the North Mississippi Medical Center, are as follows:

Course	Semester Hours
