

B.S. in Pharmaceutical Sciences

[Overview](#)

[Degree Requirements](#)

Description

This degree program is designed to prepare a student for entry into the Pharm.D. professional program.

Minimum Total Credit Hours: 126

Goals/Mission Statement

On the baccalaureate level, the school shall foster an environment where students can learn and apply the principles and theories related to the pharmaceutical sciences and acquire the knowledge, skills, and attitudes in their chosen discipline such that each can enter and succeed in a professional career in the pharmaceutical sciences, or continue studies in areas including, but not limited to, the Doctor of Pharmacy program or graduate studies in the pharmaceutical sciences.
