

# Prct 577: Practice Skills Laboratory V

The purpose of this course is to offer students an expansion on abilities practiced in previous Practice Skills Laboratories at a level commensurante with the PY3 year in the University of Mississippi School of Pharmacy. Completion of Pracice Skills Laboratory V will assist in the achievement of each of the 11 core domain competencies required by the ACPE Accreditation Standards and Guidelines Appendix D prior to commencement of fourth year Advanced PharmacyPractice Experiences.

This course aims to fulfill domain competencies in a hands-on, practical manner, with an emphasis on skills needed in situations students are likely to encounter in the APPEs. Each activity addresses two or more core domains, with a focus on augmenting clinical knowledge with practical skills needed in various pharmacy settings.
