

NHM 615: Advanced Financial Mgt. in Hospitality

NUTRITION & HOSPITALITY MANAGEMENT

This course provides students both conceptual understanding of financial management and practical use of financial statements by using structured analysis techniques in the hospitality industry. The structure and sequence of topics was carefully planned to serve as a basis to develop knowledge and understanding of financial management methods for analyzing the benefits of various sources of finance and capital investment opportunities, and of the application of management accounting techniques for business planning and control.
