Emphasis - Health Behavior

- Ph.D. in Health & Kinesiology
- Emphasis - Health Behavior

Ph.D. in Health & Kinesiology

Description

The Ph.D. prepares students for university teaching and research positions. Also, the degree prepares students for research careers in industry and medicine that include the study of exercise.

Minimum Total Credit Hours: 57

Course Requirements

The course requirements are listed under each emphasis.

Other Academic Requirements

The student also must complete written and oral comprehensive exams before undertaking the prospectus and dissertation.

Emphasis - Health Behavior

Description

The emphasis in health behavior and promotion prepares students for university teaching and research, and positions in public, private, and international health.

Course Requirements

The course requirements are 12 hours of major course work, 9 hours of advanced research methods and seminar, 9 hours of statistics and research design, 9 hours of supporting course work, and 18 hours of dissertation.

Other Academic Requirements

Additional coursework will be required for students who do not enter the program having completed a master's-level degree in health promotion, health education, public health, or closely related discipline.

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
