

## **Csci 311: Models of Computation**

### **COMPUTER & INFORMATION SCIENCE**

Introduction to the theoretical foundations of computer science, including automata and formal languages.

3 Credits

#### **Prerequisites**

- [Csci 112: Computer Science II](#) (Minimum grade: C-)
- Pre-Requisite: 24 Earned Hours

#### **One-way corequisites**

- [Math 301: Discrete Mathematics](#)

#### **Instruction Type(s)**

- Lecture: Lecture for Csci 311

#### **Subject Areas**

- [Computer Science](#)
