Minor - Biological Science Course Requirements

A minor in biological science consists of a minimum of 18 hours of biology courses and must include 160, 161, 162, and 163. Biology 322, 330, and 336 are recommended. No more than two nonlaboratory courses may be counted. Bisc 206, 207, 210, 220, 491, 492, seminars, and nonmajor courses do not satisfy minor requirements.

Other Academic Requirements

Every biology course requires a grade of C or better in all prerequisite courses, including those prerequisite courses from other departments. For example, Bisc 160 and 161 must be passed with a grade of C or better before Bisc 162 or 163 may be taken. In addition, Bisc 160, 161, 162, and 163 must be passed with a grade of C or better before any additional biology courses at the 300 level or above is attempted.
