

Phad 430: Research Methods for Pharmacists

Every year hundreds of thousands of patients are harmed by both the over, and under, use of available medical knowledge. This is a staggering statistic. One way to bend the curve on errors related to pharmacy is by improving the generation, and integration, of knowledge in pharmacy practice by improving pharmacy practice research.

2 Credits

Prerequisites

• Pre-Requisite: 24 Earned Hours

Instruction Type(s)

• Lecture: Lecture for Phad 430
