General Requirements - All students are admitted to the School of Education under the guidelines set by the university. Students transferring from another institution or from a different major at The University of Mississippi must have a minimum overall GPA of 2.5, and a minimum GPA of 2.75 for admission to Phase II: Teacher Education Program.

Note: Admission standards and the programs' curricula are subject to change due to mandates from accreditation agencies and the Mississippi Department of Education. Therefore, it is important for all students to meet with School of Education advisers in the Student Advising and Field Experience office for the most recent information on teacher education programs.

Admission to Phase II: Professional Education Core and Phase III: Student Teaching - The requirements for admission to teacher education are given in the School of Education section of the catalog. These requirements include completion of general core courses, a minimum cumulative GPA of 2.75, an acceptable test score (Praxis I or exemption through ACT or SAT), completion of EDCI 352 with a grade of "C" or higher. Similarly, the requirements and procedure for admission to student teaching are given in the School of Education section of the catalog.
