Liba 411: Med Tech: Serology/Immunology

COLLEGE OF LIBERAL ARTS

This is a study of the immune response and its relationship to disease, including characteristics of antigens and antibodies, host defense mechanism, hypersensitivity states, autoimmunity and allergic reactions. This course is taught at the North Mississippi Medical Center in Tupelo as part of the 3+1 Medical Laboratory Science program. It will not count toward a different major or minor in the College of Liberal Arts.

2 Credits
