

## **Jour 590: Multimedia Storytelling I**

### **MEEK SCHOOL OF JOURNALISM & NEW MEDIA**

This course will teach journalists how to communicate effectively using graphical content, multimedia, and interactive elements. They will learn how to create a deliberate blend of these elements in order to add value to their storytelling. They will acquire new "hard" skills but also cultivate critical "soft skills" -- adjusting their news sensibilities to accommodate an unceasing news cycle and to think of journalism in terms of an ongoing process.
