Minor - Entrepreneurship Description

A minor in entrepreneurship is available to business and non-business students. The minor's focus is on building an entrepreneurial mindset in our students with options to learn about issues related to family-led businesses, legal and human resources issues in small business, as well as financing and effective management of small and startup businesses. All students must meet the individual course prerequisites (please see requirements) before declaring and taking courses toward the entrepreneurship minor.

Course Requirements

A minor in entrepreneurship consists of Accy 201 and Accy 202 and any four of the following courses: GB 350, GB 370, Mgmt 396, Mgmt 456, Mgmt 466, Mgmt 476, Mgmt 486, and Bus 400 (Study Abroad or Study USA trip approved by department).
