

GB 370: Entrepreneurship and Management MANAGEMENT

This course is an entrepreneurial approach to the study of business management covering a broad range of management topics, appropriate for a general business major. While the course is designed to introduce the student to a manager's planning, organizing, leading, and controlling responsibilities, its focus is on the practical application of these skills and adaptive behavior in a business environment from an entrepreneurial orientation.

GB 370 may not be used as a 300+ business elective.
