

## **Bisc 519: Physiology of Aquatic Animals**

### **BIOLOGY**

The physiology and physiological adaptations of aquatic animals, with emphasis on freshwater animals.

4 Credits

### **Prerequisites**

- [Bisc 330: Introductory Physiology](#) (Minimum grade: C)

### **Instruction Type(s)**

- Lecture/Lab: Lecture/Lab for Bisc 519

### **Subject Areas**

- [Physiology, General](#)

### **Related Areas**

- [Endocrinology](#)
- [Molecular Physiology](#)
