

PH 698: Public Health Practicum

Health, Exercise Sci & Recreation Mgmt

All MPH students will demonstrate competency in public health practice through an Applied Practice Experience (APE). The APE may be with a governmental, nongovernmental, nonprofit, industrial, and for-profit setting or appropriate university-affiliated settings. The purpose of this APE is to provide students with applied experiences in which they can demonstrate their public health competencies.

1 - 6 Credits
