

# Ch E 431: ChE Mass and Energy Balance Lab Chemical Engineering

Hands-on examination of principles of material and energy balances and thermodynamics. 1 Credit

## **One-way corequisites**

• Ch E 421: Chemical Engineering Thermodynamics

### **Instruction Type(s)**

• Lecture: Lecture for Ch E 431

#### **Subject Areas**

• Chemical Engineering

#### **Related Areas**

• Chemical and Biomolecular Engineering
