

## Csci 531: Artificial Intelligence Computer & Information Science

Use of the computer in human problem solving. Game theory, decision trees, Markov decision problems, selected topics. 3 Credits

## **Prerequisites**

• Pre-requisite: CSCI 433 or CSCI 502 or Graduate Standing

## **Instruction Type(s)**

• Lecture: Lecture for Csci 531

## **Subject Areas**

- Computer Science
- Artificial Intelligence
