

## Csci 561: Computer Networks Computer & Information Science

Analysis of loosely coupled computer communication, communication protocols, and network services; an open systems interconnection model is presented and compared to selected examples of computer networks.

## **Prerequisites**

- Pre-requisite: CSCI 423 or CSCI 501 or Graduate Standing
- Prerequiste: Junior standing (60 hr).

## **Instruction Type(s)**

• Lecture: Lecture for Csci 561

## **Subject Areas**

• Computer Science
