

## **Soc 414: Race, Place, and Space**

### **Sociology & Anthropology**

This course explores the significance of race, place, and space to modern identity formation. Through a multiple-disciplinary exploration, we will analyze the influence of social, political, cultural, and historical factors on the development of real and perceived "racialized places and spaces," identities, and experiences in America, with special emphasis on gender and the American South.

3 Credits
