Csci 311: Models of Computation
Computer & Information Science

Introduction to the theoretical foundations of computer science, including automata and formal languages.

3 Credits

Prerequisites

- Csci 112: Computer Science II (Minimum grade: C-)
- Pre-Requisite: 24 Earned Hours

One-way corequisites

- Math 301: Discrete Mathematics

Instruction Type(s)

- Lecture: Lecture for Csci 311
- Lecture: Hybrid Lecture for Csci 311

Subject Areas

- Computer Science
